NEW LIFE

March 2018

The same Jesus Who turned water into wine can transform your home, your life, your family, and your future. He is still in the miracle—working business, and his business is the business of transformation

2 Corinthians 5:17 states: *"Therefore if anyone is in CHRIST, he is a new creation; the old has gone, the new has come."* Our mission at PNS is to reach out to the lost, broken, needy and bring hope to the hopeless through the saving power of Jesus Christ. Spring time is in the air. With spring soon approaching, It brings **NEW LIFE** to the flowers as they begin to bloom and trees as they begin to bud. Here at PNS we have seen countless men and women flourish and thrive as they find their **NEW LIFE** in CHRIST. Those who were once lost and without hope can now see a brighter tomorrow. PNS along with its various ministries, reaches out to people from all walks of life. Jesus said whosoever shall call upon

my name shall be saved. **NEW LIFE** is found in Jesus Christ when we call upon his name. Isaiah 55:10 says: *"as the rain and the snow come down from heaven and do not return to it without watering the earth and making it bud and flourish, so that it yields seed for the sower and bread for the eater. So is my word that goes out from my mouth. It will not return to me empty, but will accomplish what I desire and achieve the purpose for which I sent it."* As we place our life in Christ, our lives begin to flourish and grow. We begin to see things that were once dead come to life. Spring is a time when things flourish on the earth. We also can flourish and make a difference in the lives of those who may be withering away. It only takes one person to make a difference. PNS is dedicated to seeing lives restored. Restoration means to bring something back to its original purpose. That purpose is to flourish and be all that God has created each and every one of us to be. If you know anyone needing help due to addiction, depression, or who have just fallen through the cracks of life and needing a safe place to stay please contact us.

We have been staying busy at New Life Children's Home and all of our kiddos are getting excited about spring break! Their spring break will start on March 15th and they will return back to school on the 26th. A lot of our children will be getting the opportunity to spend this time with their family however we have some children who will remain with us during this time. Everyone is doing really well in school and they are all buckling down so that they can end the nine weeks with good grades. Summer will be here before we know it! We have already begun brainstorming and planning for the summer. Last year we were so blessed to have our trips sponsored. Our children had a great summer and we are planning another great summer again. Unfortunately our children do not get the extravagant vacations that most families get during the summer however we do try our best to make their summers as enjoyable as possible with the means that we have. If anyone would like to sponsor some of these trips and help make this a great summer for our children feel free to contact us at the numbers listed above.

Graduation is soon approaching for one of our children at New Life and we are very excited that she is so close to reaching this accomplishment. We just received her senior ring this past month that we ordered and she was very grateful for it. Towards the end of this month we will be focusing on ordering her senior pictures as well as creating her invitations. This past weekend our senior as well as our eleventh graders went to a UALR VIP event where they took a tour of the campus, spoke with the staff and got the opportunity to attend a college basketball game. With all of this going on graduation is getting real for this young lady so keep her in your prayers as she makes some big decisions for her future! If anyone would like to help with these expenses feel free to contact us at the numbers listed above
