WHAT IS THE TRUTH?

In a world full of confusion, is there any truth? Pilate asked Jesus this question. The only truth in the world today is God's word. God warns us in the Bible that people will become corrupt and turn away from His word to follow their own lust. In a time, when the truth is perverted and the so called church of today has stained its garment with sin and has wondered far from the truth; God is looking down from heaven for a people that have not bowed a knee to Baal. Stand up and be the man or woman God created you to be. Stand with me in these last days. Matthew 16:26 says *"What good will it be for someone to gain the whole world, yet forfeit their soul? Or what can anyone give in exchange for their soul?"* But God has anointed and commissioned the church to go forward in His name. *"And I tell you that you are Peter, and on this rock I will build my church, and the gates of Hades will not overcome it. I will give you the keys of the kingdom of heaven; whatever you bind on earth will be bound in heaven, and whatever you loose on earth will be loosed in heaven."* Matthew 16:18-19

Founder: Tim Bumpous

Katalin's Testimony

I was kidnapped May 5th and sold into sex slavery for 18 horrific months, but the truth is I was lost way before then. I was living a phony life and tried so hard to portray myself as the perfect sister, daughter, and mother. I attended church and volunteered, but I really had no idea what it meant to have a relationship with God. After endless nights of silent prayers and uncontrollable tears, I started to get this overwhelming sense of hope and knowledge that I had a better future waiting and that what I was doing was wrong. It got to the point where I started to feel uncomfortable in my own skin, which I contribute to my families prayers for my salvation which in turn lead me to PNS where I finally learned how to have an intimate relationship with my lord and savior, and where I continue to grow in the word and fully submit to god, letting him calm me in the midst of my battles, giving me a peace no man can break. I am truly grateful for pastor Tim's obedience to God and for his mother's prayers that birthed this ministry. Because of them, I can finally be the godly mother my daughter Nevaeh Grace deserves, and I truly know now in my heart of hearts that my name is written in the lamb's book of life and that I have a purpose to fulfill for the kingdom of heaven. Thank you pastor Tim for everything.

Steven's Testimony

I was saved when I was seven years old, and then my father passed when I was nine. I was a kid, so I did not understand how God could take my superhero. Then I broke my back in an ATV accident. Because of that, I was on opiates for 17 years from the doctor. During that time, I lived in the wilderness and served the darkness like the apostle Paul. I was the chief of sinners. I had lost everything, and I mean everything. All my parents and grandparents had passed. I was not getting to see my kids, and I got a divorce. I got new felony charges, and I was ready to just go to prison and do all my time so that I would not have to be on parole or deal with life. So, I prayed, "God if you want something from my life, you're going to have to get it because I can't do it on my own." The next day in court, I told the prosecuting attorney to send me to prison and I got sent to Project New Start where I was reconnected with God. Now I have a good job and can see a future for myself. I plan on serving God to the best of my abilities. God is good.

Back to School

Summer is almost over. We are getting ready to go back to school. Living Water Recovery Center has had a great summer, and we would like to thank everyone for their support. Because of your support, Living Water Recovery Center is now full. We have 9 mothers and 17 children. Without your partnership, we would not be able to support Living Water Recovery Center. Many of the children will be attending a new school this year. and they are very excited. Thank you for making a difference in the life of a child.

God Bless You!
