*"When Jesus had lifted up himself, and saw none but the woman, he said unto her, Woman, where are those thine accusers? Hath no man condemned thee? She said, No man, Lord. And Jesus said unto her, Neither do I condemn thee: go, and sin no more."*

Our slogan "Where God is Changing Lives" is a statement that comes from the Lord, woven throughout the scriptures in the Holy Bible. It is God's desire to see broken lives mended, healed, and set free. God's mercy reaches out to every human being, saying, "Come unto me." I have met people who don't understand what we do for the least of these. The children of God have a desire to see the lost saved. People have told me "I can't believe you have to work with those drug addicts." Those drug addicts are created in the image and likeness of God. Jesus gave His life for the drug addict, the least of these. Jesus compared the lost and the saved to sheep and goats. The sheep have eternal life and the goats are destined for Hell. We help the drug addicts, alcoholics, sexually immoral, liars, thieves, depressed, divorced, demon possessed, suicidal, or anything else that keeps someone from living out their God given potential. A lady told me one time, "I can't believe the homeless have to live with the drug addicts," and I told her if it wasn't for the grace and mercy of God you could be a drug addict. Of course, she got mad but I've always been the kind of man who speaks the truth. The lady needs God's love in her heart. 2nd Peter 3:9 says *"The Lord is not slack concerning his promise, as some men count slackness; but is longsuffering to us-ward, not willing that any should perish, but that all should come to repentance."* The word long suffering means to put up with. God puts up with a lot from all of us. Since God shows us mercy, we should show the same mercy to others.

February was an exciting month for the Living Water families. Recently, we had 2 mothers graduate from L.W. Kayla, with her 4 kids and Tiffany, with her 3 kids. When these moms and their children entered L.W. they were broken. They had no home, no job, no vehicle...and no hope. But, God came and gave them a new hope for a life they no longer believed was possible. These women and their children graduated L.W. with a job, a car, a home, daycare, and more. God gave them a vision and with their hard work and God's grace they are moving forward. Thank you to everyone that prays and donates to these families. We are looking forward to what God is going to do in the future.
