ARE YOU READY WHEN HE COMES?

"No one knows about that day or hour, not even the angels in heaven, nor the Son, but only the Father. As it was in the days of Noah, so it will be at the coming of the Son of Man. For in the days before the flood, people were eating and drinking, marrying and giving in marriage, up to the day Noah entered the ark; and they knew nothing about what would happen until the flood came and took them all away. That is how it will be at the coming of the Son of Man.

While we were young kids playing hide and go seek, we would say, "Ready or not here I come." We would warn people we were coming to find them. The Lord has warned us in his Word that He is coming back. So, his coming should not catch us unaware. The world says, "He is not coming and that we should not pay any attention to the Bible, because God loves us too much to do us wrong." God does love us, but we will face the judgment of God; where we must give an account of our life. Those who accepted God's mercy and grace and followed His Word will reap eternal life, but those who rejected God's grace and mercy and refused to obey God's Word will reap eternal damnation. So today get yourself ready for the coming of the Lord!

2 Corinthians 5:17 (NIV) Therefore if anyone is in Christ the new creation has come : The old has gone the new is here!

Our recovering mothers at Living Water are becoming new creations through Christ . We are very proud of all their progress and the work they are allowing the Lord to do in their lives .Not just for them but for their children too. Leaving their old ways behind them and stepping with the Lord in to the life he has to offer them .The New is here!

Saphira Lamb's Testimony

My name is Saphira Mae Lamb . I am 9 years old. My mom has always been a good mom but there was times when she wasn't at her best. There were times I had to take care of my brother (5 years old) and my sister (3years old) . Life was different then it is now. Mommy didn't watch us close. We did what we wanted but since we came to Project New Start . Mom is different . She's nicer and more loving . Mommy is always there for us now and we can depend on her to take care of all 3 of us and I can be a kid again.

Juanita's Testimony

My name is Juanita Cox. Around the age of 12 I was taken Adderall. I started abusing the prescription, smoking marijuana and drinking. My dad enabled my addiction he would give me money to go out and get drugs. Well because I did what I basically wanted I ended up pregnant at 17. After having my son my addiction started again. Then at age 21 I found out I was pregnant with my daughter. Soon after having my daughter. I found my dad dead, he had overdosed. I literally was lost for words because I lost everything. I had to move. I had a newborn baby and my son and no where to go and I was doing drugs. I was able to find a trailer down the road from my grandma, but I was getting higher now. I ended up at my husband's grandparents' house (My son's dad). I was so bad in my addiction that I had infection in my arms. I finally went to hospital. I was dropped off at the hospital. I couldn't walk and I was urinating on myself. My body was shutting down pretty much. They hooked me up to the i'v and when they did whatever they gave me started to make me burn alive inside. I can't tell you how much pain or what happened next but total blackness nothing but blackness just a dark empty place. That's all I remember when I woke up to being wheelchair out of the hospital. They had stuffed my arms with gauze, and I had to go back and have them re stuffed over the weeks. Sadly, to say I still was using the hospital finally told me that they would not see me there anymore because I would not stop due to my addiction. Everyone started closing their doors to me which has led me here today At Project New Start with a new life ready to be renewed and saved. I will not go back to that lifestyle for I know gods plan for me.

Little Jimmy Hamm's Testimony

I was born June 4th , 2001 .When I was 2 years old I learned too walk , when I turned 4 years old my grandfather put me in church . At 11 years old my father & mother split up because of that I stop going to church and lost my way. Then at 16 years old I dropped out I was in the 11th grade, well at 17 years old my brother showed me what the drug life was about. It led me to a world of trouble an I wasn't ready for all that, I was robbing stores taking advantage of people. At one point I was even homeless, sleeping at parks in bathrooms not knowing where I was going to get my next high, meal, or a place to lay my head. Then at 22 years old my life completely turned around . I owe that too Project New Start , An more importantly God. Since I've been here . I'm a changed man, I'm saved, I pray! An God is working more than ever, I thank him for my sober life! Praise God , I'm on the road to Heaven.
